

SMT. S.R. PATEL ENGINEERING COLLEGE

Smt. Sushilaben Rameshbhai Patel Charitable Trust (SRPCT) was established in the year 2008 for the purpose of carrying out various social services and establishing educational institutes to uplift the knowledge and skills of students to build their career. The trust started an engineering college **Smt. S. R. Patel Engineering College** in the year 2009 at Dabhi, about 4 km away from Unjha and about 28 km away from Mehsana.

The lush green campus is spread over in a 12 acre area. It blends beautifully with the green landscaping, varieties of flowers and trees and a vibrant pursuit of knowledge.

The spacious buildings, well equipped laboratories and a pool of qualified and experienced staff members show the dedication of the trust towards society.

The trust is involved in large numbers of social activities in North Gujarat region.

OBJECTIVES OF THE PROGRAM

To deliver basic knowledge of Android and use of different component in development of Application.

In Today's life smart phones are very important and used by most of people so it acquires vast platform.

With making applications which runs on Smartphone we can deliver our work to huge platform. By making applications which can be used easily on phones for day to day work we can make life simpler.

One of huge market acquired in phone industry is android phones. Learning of development of Android applications will be very helpful to make applications which runs on Smartphone.

This workshop is for delivering basic knowledge of Android.
