About College

The institute Smt. S. R. Patel Engineering College was established in the year 2009 at Dabhi, about 4 km away from Unjha and about 28 km away from Mehsana. The institute is promoted by Smt. Sushilaben Rameshbhai Patel Charitable Trust and supported by Ajay Engi-Infrastructure Pvt. Ltd., Mehsana. The lush green campus is spread over in a 12 acre area. The beautiful landscaping, gardens and peaceful environment provide a true feeling of closeness to the nature.

The institute offers 4 years degree engineering programs in four disciplines at the Under Graduate (UG) level viz. Civil, Mechanical, Computer, and Electronics & Communication Engineering and 2 years Master of Engineering programs in two disciplines at the Post Graduate (PG) level viz. Mechanical & Computer. The institute is approved by the All India Council for Technical Education (AICTE) and affiliated to Gujarat Technological University (GTU), Ahmedabad. All these programs are designed to enable learning in application based environment through a combination of teachers and hands-on-experience in well equipped laboratories.

About Department

The Computer Engineering department offers Undergraduate & Postgraduate Programs in Computer Engineering. Graduates of the computer engineering program can make their careers in the field of Information & Communication Technology, Electronics Industry, Academics and R & D. The Computer Department has a computer center with more than 300 computers with latest software and internet connectivity.

About P@hel

P@hel is a Techfest which is organized by Computer Engineering Department for 4 days from 4th September to 7th September. In P@hel events were categorised in two major part "**Technical Events**" and "**Non-Technical Events**"

The Technical events were **Codeathon**, **Web Designing**, **Dark Coder**, **Technical Quiz**, **SQL mania, Blind Date, Crack Your Way.**
