4. Communication by Faculty	50%	23%	27%	00%

Lecture Participant :
Expert lecture was organized for students of 3rd semester Computer Engineering . There were 22 students were present in Expert lecture.

Participants' Feedbacks:

At the end of any activity it is very much important to have a feedback from the target audience to know the success indicators, evaluating the training material and curriculum and to know the area required further improvement in organizing such expert lecture.

Prime feedbacks were:

- Adequate information was given by speakers
- Organizing of sessions were good
- Knowledge and examples related to the topics are given on regular base that were easy to understand.
- Participants will interested in this type of expert lecture in future
