

Expert Lecture Report

Expert Lecture on Computer Network

Objectives:

Main objective is to cover content beyond the syllabus of Computer Network subject.

Inviting Industry expert to provide knowledge regarding the different network threads faces in real life implementation and data transfer.

Expert:

Mr. Yash
Trainer,
Intel, Bangalore

Coordinator:

Prof. Amanat Ansari
Assistant Professor,
SRPEC, Unjha.

Session Content:

Introduction to Data transfer techniques.

Introduction to network security.

Different types of attack used

Different approaches to overcome such attack.

DETAIL OF EXPERT LECTURE

| Feedback from Participants | Out of 10 (Average) |
|-------------------------------------|---------------------|
| (a) Knowledge | 10 |
| (b) Practical Experience | 9.7 |
| (c) Duration | 9.1 |
| (d) Expert Knowledge and Experience | 9.8 |

Participants:

Expert lecture was organized for students of 5th semester Computer Engineering. There were 48 student Participants and 2 faculty member of Computer Engineering Department were present in the Expert Lecture.
