About the event...

Summary

Smt. S. R. Patel Engineering College dedicated one week to unleash the talents residing amongst the students. The event was scheduled from 5th August, 2013 to 15th August, 2013.

The students were been well-informed about the competitions and its rules by the respective coordinators and were asked to register beforehand in order to make the arrangements. The competitions were scheduled after the teaching hours in parallel tracks.

The various events, which were organized, had created cultural environment in the institute. It was great to see the zeal and enthusiasm of the participants during the different competitions.

Objective

The main objective of this event was to help the students in unleashing their hidden and artistic talents. It also aimed at giving the students a chance to involve themselves in some other activities so that they can get the momentum to focus more on their studies. The students can get an opportunity to eradicate the stage fear by participating in such activities.
