

Smt. S. R. Patel Engineering College, Unjha

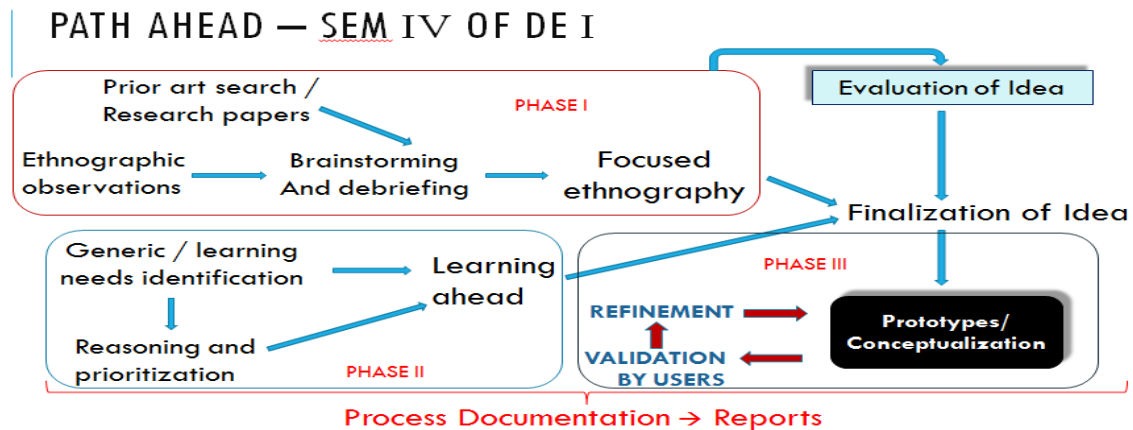

A Brief FDP Report on

“Design Engineering -1B”

A Faculty Development Program was organized by Gujarat Technological University at L. D. Engineering College, Ahmedabad during 31st January to 2nd February 2015. The main objective of this FDP was to develop the creating thinking to develop something new that doesn't exist. The basic theme of this FDP was to provide the way to deal with Design Engineering course for the upcoming semester. The three days FDP provided a path on Design engineering Course for 4th semester. Day wise learning program in a tabular form is given below.

Session	Day- 1 (31/1/2015)	Day-2 (1/2/2015)	Day-3 (2/2/2015)
1 st	Briefing of 3 rd Sem DE Course and discussion on 3 canvas sheets	Product Development Sheet	Customer Revalidation Discussion
Lunch Break			
2 nd	Discussion on 5 phase program in 4 th semester	Observation on Field	AEIOU Concept
Tea Break			
3 rd	Discussion on 5 phase program in 4 th semester	Customer Revalidation	Discussion on 4 th Sem Design Engineering Outcome

All efforts are to improve the 'insights' in ongoing research

Participated & submitted by:

- 1 Mr. Harshad C. Patel (Asst. Prof, Dept. of Mechanical Engineering)
2. Mr. Adesh V. Panchal (Asst. Prof, Dept. of Computer Engineering)
3. Mr. Vineet Jain (Asst. Prof, Dept. of Civil Engineering)
