

# Field Training

## Objectives:

To make the students aware from the fundamentals and working of latest technology with the real working environment we organize every year 15 days field training of 6th semester students.

This year our total **54** number of students took the training from industry or company. During field training; they learnt overall industrial scenario and technological applications. The field trainings are meant to make the students self-reliant and confident in carrying out various projects in association with respective industries.

## Glimpses of the Training
