## Project Title
### BANDHAN

**Abstract:**
This project is very useful as it provides a fast searching of suitable profiles. User can create their profile and can communicate with the existing member of site like other matrimonial sites. After this site will provide some other services related to marriage like Kundli-Matching, Catering, Decoration, Pundit Service, Transportation, Music Service, Beauty Parlor for Bride and Groom, Party plot, photo-Shoot, Video shoot, Fireworks services and also Greeting Card and honeymoon Travels facility and information like contact numbers and addresses of these service providers. This will also provide the Shopping cart Facility to buy wedding Gifts and wedding clothes. There will be a chat application provided to chat with partner.

**Prepared By:**

| Sr. No. | Student Name | Enrollment No |
|---------|--------------|---------------|
| 1 | SONI ALKESH K. | 120780107010 |
| 2 | DHANAK SAAJAN A. | 120780107031 |
| 3 | KHATRI RITESH M. | 130783107003 |
