

Department : Computer

Year : 2017-2018

Group No: 4

Guided By

**PROF.MUKESH  
SONI**

## **SMT. S. R. PATEL ENGINEERING COLLEGE, UNJHA**

**Project Title**

**SRPEC**

### **Abstract:**

We choose SRPEC android application because this application is not available in our college and the requirement of our college to make this application. Our application helps the people to know the information about all activities of college and also help the students. We are making this project in android technology because it is user friendly technology and also easily interact with the user.

In our application, there are 3 modules: student, faculty, admin. In admin manage all activities.

Faculty upload the class-notes, syllabus, test-papers, question-bank etc...and student can download. In our application also all the information related to department, events and some other activities.

This system provides ease of access the system to the user. It saves the time and money of the person in today's busy life.

### **Prepared By:**

<b>Sr. No.</b>	<b>Student Name</b>	<b>Enrollment No</b>
1	NENCY D. PATEL	140780107014
2	JINAL B. MEHTA	140780107002
